

Healy Gifted Middle

Classroom Expectations

General Information

The mission of the gifted program is to provide highly-able students with both a rigorous accelerated program and integrated arts that supports diversity in learning styles and individual responsibility.

Gifted Membership is reconfirmed on a yearly basis through a student's excellence in grades, attendance, and behavior.

Code of Conduct Students are expected to abide by the rules outlined in the code of conduct book and in individual classrooms. Refer to the parent-school contract for updated information. Students are to be in uniform everyday and have their ID's.

Late Work All late work will receive 60% and be accepted at the teacher's discretion. Additional time is given for excused absences only. All grades can be accessed through the Parent Portal.

Please Help With your help, we can make this year a greater success. School begins at 7:45 A.M. Each child is expected to be in the classroom at this time.

Email your teacher for opportunities to volunteer on field trips and to help with the Healy Stars.

Before/After School Help All students must have a permission slip to stay after school. Verbal permission is never accepted.
